Horizon Design Quarterly is a quarterly publication that explores design perspectives for a better tomorrow. It features a mix of articles, interviews, and visual content that inspire and inform designers and enthusiasts alike. The magazine is known for its high-quality production and its focus on innovative and sustainable design practices.

The magazine is available in both print and digital formats. The digital version is a PDF that can be accessed online, while the print version is a physical magazine that can be purchased or borrowed. Both versions offer a rich and engaging reading experience, with the print version providing a tactile and visual pleasure that the digital version cannot match.
