The image displays two views of a 'Space Cat' badge. On the left is the front view, featuring a white cat with large black eyes and pink cheeks inside a blue space helmet. The cat is floating in space, surrounded by a yellow ringed planet and three yellow stars. The badge has a scalloped edge and a shimmering, iridescent finish. On the right is the back view, showing a plain white cloud-shaped base with a matching scalloped edge.

A stack of colorful, cloud-shaped stickers. The top sticker features a cute grey cat with large black eyes and pink cheeks, wearing a blue space suit with a clear helmet. The cat is floating in space, surrounded by yellow stars and a blue planet with a yellow ring. The background of the sticker is a shimmering, iridescent pattern. The stack is thick, suggesting many stickers are included.

Figure 4 – Comparison of the results of the AI, EPS and PDF models (AI, EPS and PDF) for the different scenarios.
