Figure 3: The heart-shaped cushions with the 'Happy Valentine's Day' design.

The heart-shaped cushions were made from a 100% cotton fabric. The design was printed on the fabric using a digital printing process. The design features a red heart with the text 'Happy Valentine's Day' inside, surrounded by red roses and smaller hearts. The fabric was then cut into heart shapes and sewn together. The cushions were then filled with a soft, white filling. The cushions were then shown in three different settings: a single cushion on a white background, two cushions on a white background, and a cushion on a beige sofa.
